NBCC is exceeding expectations. We are more than meeting Key Performance Indicators (KPIs) set by the government.

NBCC provides relevant programs to our students. 95% of our graduates participate in the labour force - significantly higher than the overall population. NB = 63% Canada = 66%

About the Graduate Follow-Up Survey
NBCC graduate follow-up surveys have been conducted by PETL since 1983. The reference week for the Survey of 2013 Graduates was June 1 - 7, 2014.
